

INTERNATIONAL DELHI PUBLIC SCHOOL. AMBUR

Compliance for queries observed.

Sr.No.	Query	Compliance
1.	The School has all classrooms with sizes of 400 to 500 sq ft in place of minimum 500 sq ft and above.	All the classes are above 500 sq ft. Earlier entry was clerical error.
2.	As per the IC video ref time 0:07 & 0:14, HT lines are seen passing through the school's premises, which may pose a serious safety hazard.	The poles have been removed and replaced by a compound wall.
3.	The school has not submitted the No Objection Certificate to be issued by State Education Department.	NOC has been obtained from Govt of Tamilnadu Department of School Education.
4.	As per the land certificate, Para -I, Sri Vidya Vihar Educational and Charitable Trust owns the land in terms of sale deed, and as per PARA - II, the said trust owns the land in terms of lease deed from 2017 to 2047. Therefore, it is not possible for the same trust to own the same piece of land in two ways. Hence, it cannot be ascertained, whether the trust has owned the land in terms of sale deed or lease deed.	1. Sri Vidya Vihar Educational Trust has owned the land by sale deed on 13th Nov 2006. 2. The Trust has given lease to Sri Vidya Vihar (CBSE) School upto 2047. 3. Sri Vidya Vihar (CBSE) School has changed the name into "International Delhi Public School" on 29.12.2023. as per Department of School Education, TamilNadu. 4. At Present the land is utilized for "IDPS" Ambur upto 2047. Resolution has been enclosed.
5.	The boundary wall is partially shown in the IC video, hence, continuity of the boundary wall from all sides cannot be ascertained. Further, there is a gap seen in the IC video at video ref time 0:09.	Boundary wall has been constructed by all four sides with two gates.
6.	As reported by the IC, the school has obtained EPF number, however, it is yet to be contributed.	EPF has been contributed from December 2024.
7.	The library is understocked and it does not have separate reading space for staff.	Library has been equipped with more than 3000 titles. Teachers' reading space has been allocated.
8.	The school has not set up the composite science lab for the secondary level (in light of the Board's SoP).	As per Board guidelines, the composite science lab has been set up.
9.	The physics and chemistry labs have curtains, which may pose a fire	All the 3 labs. (Physics, Chemistry and Biology)

	hazard and do not have any seating arrangement for students and sufficient storage. Further, the chemistry lab does not have gas connections in the workstation. The Biology lab is temporarily set up on the desks with a few equipment. It does not have proper permanent workstations with attached washbasins, sufficient equipment, seating arrangement, storage facility etc.	• Curtains removed. • Seating arrangement done. • Sufficient work station arranged. • Sufficient Equipment, Seating arrangement done.
